Cessna Citation X

Unprecedented Performance

The Cessna Citation X is the fastest business jet in the world with a top speed of Mach.92 able to fly at over 50,000 ft. With one of the most aesthetically pleasing and spacious cabins for any Citation aircraft there has been no compromise on luxury and comfort.

8 fully reclining wide-body club seats allows passengers to sleep comfortably on long flights whilst the standing cabin accommodates one flight attendant for optimal service. Its numerous amenities from a hot galley, multiple LCD screens, iPads and bed configurations allows the Citation X to be the ultimate combination of comfort, range and speed. As a Citation aircraft it is also amongst a fleet of the safest business jets in the world solidifying its position as one of Cessna's most impressive aircraft.

Cessna Citation Bravo

Versatile and Cost Effective

The Cessna Citation Bravo is a fuel-efficient light jet able to perform trips like Bangkok to Chennai non-stop. Outperforming its predecessor with climb, cruise and altitude speed, whilst possessing excellent short-runway capabilities, this extremely versatile jet is able to take you to a large number of airports not accessible by many aircraft with ease.

Notwithstanding its performance, the Citation Bravo manages to accommodate up to 7 passengers comfortably. It is complete with amenities including: power sockets, stowable work-tables, on-board monitors, hot & cold refreshments center as well as having numerous baggage compartments. It truly epitomizes the balance between cost and performance.

Cessna Citation Bravo
